

Hello,

Please DO NOT Weaken the consumer protection laws. Telemarketers call our house at all hours of the day and with a small child at home we find this very disturbing. The telemarketers are often rude and and will call several times a day, most times just to hang up when we answer. My mother is in a wheelchair and it is difficult for her to get to the phone, so the extra, unwanted calls are very frustrating and painful for her to try to answer and pick up the phone. Please do not overturn the NJ law.

Thank You
